## **ABOUT CLUNO**

Our vision is **DRIVING – AS SIMPLE AS LISTENING TO MUSIC.**

Cluno is a new, flexible mobility concept: a digital car subscription. Car subscription works for anyone who wants to get around in his or her own car. Cluno thinks all car-related processes completely digitally and innovatively, helping customers to find the right mobility solution for their lives. Customers simply book their car online or via app for a fixed monthly all-inclusive fee covering all costs except fuel. After a minimum term of six months, subscription customers can return or switch their car with three months' notice.

Christina Polleti, Nico Polleti and Andreas Schuierer founded the Munich-based venture. The three co-founders have many years of experience in the automotive and online industries, with their last start-up, easyautosale, being sold to AutoScout24 in 2015. Leading venture capital investors, such as Valar Ventures, Acton Capital Partners and Atlantic Labs, back Cluno.
